WORK EXPERIENCE

BMG, Intern – Mechanical Licensing

FEB 2023 - MAY 2023 — Nashville, TN

- Tracked down missing writers using social media to acquire publisher and split information and move them out of copyright control
- Created and submitted licensing requests to CMRRA
- Cleared over 250 products out of the company's backlog on CMRRA Direct
- Created a system to log and address discrepancies between our records and publishing and split information contained within the licenses issued by CMRRA

New Summit Academy, Music Production Teaching Assistant

NOV 2018 - NOV 2019 — Atenas, Costa Rica

- Drove an independent effort to reimagine the recording studio on campus, adding a digital composition workstation and directing the purchase of updated equipment
- Managed the day to day use of other students which entailed keeping a schedule, caring for the equipment, and ensuring the live room and control room remained clean and organized at all times
- Introduced fellow students to digital music production and taught them the basic skills needed to independently explore the subject further

KJMedia Productions, Composer

AUG 2021 - FEB 2023 — Los Angeles, CA - Milan, Italy - Bali, Indonesia

- Composed and produced instrumental backing tracks for all videos put out by the company
